

How do I upgrade to a higher plan?

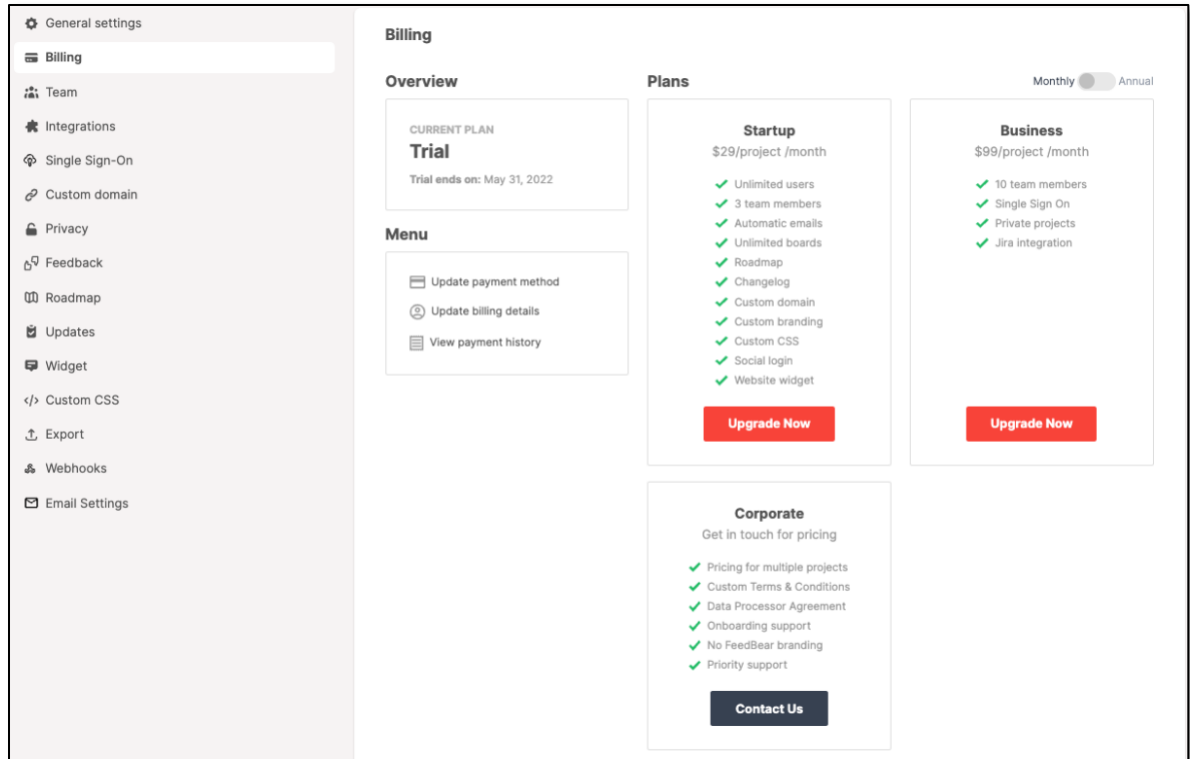

If you want to increase functionality in FeedBear you can upgrade your plan using the following steps.

To upgrade to a higher plan,

1. Click your profile icon (top-right corner of page) and
2. Select the **Project Settings** menu item.

3. Select **Billing**.

4. Toggle between **Monthly** and **Annual** to view different rate plans.

5. Choose **Upgrade Now** to upgrade to a new plan.

6. Enter your **Billing Information, Card Details** and choose **Complete Payment**.

Corporate Pricing:

- If you're interested in our Corporate Pricing, please Select **Contact Us** and send us a request.
