

How do I install Office 365 apps?

There may be instances where you may need to install different versions of office software to a computer or device. Try the following steps to complete this task.

1. In a web browser, navigate to **Portal.office365.com**.
2. Click on **Install Office**.
3. Click the dropdown arrow to see more options.
4. Select **Other Install Options**.

5. Select your **language**.
6. Select the **version** you wish to install.

7. Select **Install Office**.
